Kind Reference is invited to G.O. dt. 7.3.1936 ~~relating~~ prescribing the size and design of the Seals to be used by several Classes of Courts in the State. The sizes of these Seals were however modified subsequently in G.O. dt. 24.2.1937.

The High Court now request orders re. the material^(x) from which the Seals ~~have to be~~ ~~made~~ ~~used~~ for use in the Courts of the Ex-Officio Magistrates are to be prepared

According to G.O. dt. 24.2.1937 the Seals of the Subordinate Civil and Criminal Courts should be circular in size and prepared out of brass, the diameter being ~~2 1/2 inches~~ 2 inches.

It is a point for orders as to whether the seals of the Courts of the Ex-Officio First Class Magistrates may be ~~specimens~~ similar to those presented for subordinate civil and criminal courts. It is stated that the brass seals cost Rs 15/- each while the rubber seals cost Rs 6-60/- each.

(No mention has however been made in the p. n. D as to the seals for use in the Courts of Amildars who are Ex-Officio II class Magistrates. It is assumed that no orders are required on this item).

Order for orders: At present there is no uniformity in the seals used by Ex-Officio Magistrates

It seems to be desirable that the seals of all the Magistrates both Ex-Officio & Special should be similar. These Ex-Officio Magistrates also may ~~be expected~~ use the standard seal similar to ones now used by Special Magistrate. A brass seal would last longer and stand rough handling even. The High Court may be informed accordingly (for reference)
